

## Section 2.9 Mining District Provisions

### 2.9.1 Description of the Mining District

The M District is designed to encourage and facilitate the mining and quarrying of minerals other than oil and gas.

### 2.9.2 Uses Permitted in the Mining District

Uses Permitted in the M District are as follows:

(a) All uses permitted in the AI District, as regulated therein, except as provided in paragraph (b) of this subsection.

(b) The following mining uses, as uses of right:  
85 Mining Activities and Related Services.

### 2.9.3 Bulk and Area Regulations in the Mining District

Bulk and area regulations in the M District shall be the same as in the AI District.
